EXONITA

EXONITA ELECTRONICS POS

Every serial. Every warranty. Every sale.

Counter billing for electronics and mobile shops with serial and IMEI tracking, warranty, EMI, exchange and salesperson on every bill.

- Mobile shops
- Electronics showrooms
- Computer & laptop stores
- Home appliances
- Accessories stores
- Sales & service shops

Serial-tracked sales

- Serial / IMEI captured on the bill
- Serial lookup for any unit
- Units held so they can't sell twice

Close the deal

- EMI details on the bill
- Old device exchange as a credit
- Accessory suggestions

After the sale

- Warranty on every unit
- Supplier returns for faulty units
- Repairs in Exonita Service

EXONITA

ELECTRONICS POS

WHAT YOU GET

Everything your electronics shop needs, at one counter

Serial and IMEI numbers
Scan the serial or IMEI of each unit at billing; it prints on the bill.

Warranty and serial lookup
Find any unit by its serial or IMEI, with its bill and warranty.

EMI details
Record the finance provider and EMI details on the bill.

Device exchange
Take an old device in exchange and set its value against the new bill.

Salesperson on the bill
Pick the salesperson for each bill and see sales by salesperson.

Accessory suggestions
Suggest a cover, charger or guard when a phone or laptop is billed.

Supplier returns
Mark a unit defective, replace it for the customer and send it back to the supplier.

Orders with advance
Book a model that is not in stock, take an advance, and bill it on delivery.

ALSO INCLUDED

- GST bills with customer GSTIN
- Customer credit and ledger
- Delivery details on the bill
- Barcode labels
- Job cards in Exonita Service
- Cloud data, nightly backups

HOW TO START

1. **Free demo** — See serial billing, EMI and exchange live.
2. **Items & setup** — We import your models and set up GST.
3. **Hardware & training** — Scanner and printers installed, staff trained.
4. **Go live** — First bill on day one, with support.
