EXONITA

GROCERY POS

WHAT YOU GET

Everything your grocery shop needs, on one counter

Quick billing screen
Scan-only billing for rush hour, or product tiles for items without barcodes.

Loose items by weight
The bill asks for the weight; scale barcodes with weight or price are read too.

Customer credit and ledger
Set a credit limit, bill on credit, take receipts, and see what each customer owes.

Bill on WhatsApp
Share the bill with the customer on WhatsApp, or print on thermal or A4.

Offers
Percentage off, amount off, and buy X get Y, applied at the counter.

Hold and recall
Park a bill while the customer picks one more item; serve the next one.

Batch and expiry
Track batches and see which items are close to expiry.

Till and day close
Count the cash in the till and close the day with checks.

ALSO INCLUDED

- Goods receipt (GRN)
- Barcode labels
- GST reports
- Grocery dashboard
- Daily summary by email
- Cloud data, nightly backups

HOW TO START

1. **Free demo** — See it running with a grocery item list.
2. **Items & setup** — We import your items and set GST and printers.
3. **Hardware & training** — Scanner and printer installed, you are trained.
4. **Go live** — First bill on day one, with support.
