EXONITA

HARDWARE POS

WHAT YOU GET

# Everything your hardware counter needs, in one place

### Multiple units
Sell the same item by box, piece or kg, at the right price for each unit.

### Price levels
Keep a retail and a wholesale price per item; switch to wholesale at the counter.

### Quotations
Save any bill as a quotation, share it, and turn it into a bill later.

### Delivery challan and transport
Record the vehicle and transport details with each delivery.

### Customer ledger and credit
Credit limits, dues and the full ledger for every contractor.

### Orders with advance
Take an order with an advance and hold the stock for that customer.

### GST e-Invoice
Generate the IRN for B2B bills, with the customer's GSTIN on the bill.

### Stock by location
Godown and shop floor stock, goods receipt and branch transfers.

ALSO INCLUDED

- Barcode billing
- Offers and discounts
- Returns, hold and recall
- GST returns
- Till and day close
- Cloud data, nightly backups

HOW TO START

1. **Free demo** — See units, wholesale prices and quotations live.
2. **Items & setup** — We import your items, units and prices.
3. **Hardware & training** — Printers installed, counter staff trained.
4. **Go live** — First bill on day one, with support.

## Book your free demo
